PROJECTS

BOOKING A TABLE ON THE LITTLE LEMON WEBSITE
HTML & CSS

Secure your spot at The Little Lemon with our convenient online reservation system! Head over to their website and navigate to the 'Reservations' or 'Book a Table' section. There, you'll be able to choose your preferred date and time, along with the number of guests in your party. Simply follow the prompts, fill out the form, and submit your request. The Little Lemon will then confirm your reservation via email or phone, depending on their process.

SUBMISSION FORM USING API CALLS
JAVASCRIPT

Developed a submission form using API calls to streamline the process of collecting and processing user data, enhancing efficiency and accuracy within the project.

NETFLIX LOGIN PAGE
HTML & CSS

Implemented a user-friendly Netflix login interface that enhances the overall user experience and streamlines the sign-in process.

ROCK, PEPPER, SCISSOR
HTML, CSS, JAVASCRIPT

Created a Rock, Paper, Scissors game with AI opponent, multiplayer functionality to showcase my ability to design algorithms, implement user interfaces.
